

LEGACY ADVISORS

Join Us Today!

Legacy Advisors are devoted volunteers who stand as crucial allies in boosting community philanthropy.

Aligned with the Museum's mission, they're dedicated to guiding individuals in crafting impactful, charitable legacies.

In your work as an advisor, you value professionalism, integrity and taking the utmost care when serving your clients. As a nonprofit organization, we share your values and take the same care in helping our donors plan charitable gifts.

No one is born knowing how to make the most of their giving dollars. By educating people on the benefits of charitable planning, Legacy Advisors hope to inspire a new community of philanthropists using a more holistic approach – one that effortlessly

balances a donor's financial security and family legacy aspirations while building a strategy that supports their values, interests and philanthropic legacy.

Legacy gift commitments — both realized bequests and documented future gifts — make up a substantial part of the Museum's total fundraising goal each year. Whether integrated into an estate plan or through beneficiary designations like IRAs, life insurance policies, or bank accounts, these gifts enable us to tell the enduring story of flight and inspire the next generation of aerospace professionals and explorers.

Join us in shaping history, one legacy at a time, and become a Museum of Flight Legacy Advisor today!

Legacy Advisor Benefits
